SUMMARY

Senior program manager with seven years leading multi-team programs from concept to launch. Track record of on-time delivery, cycle-time improvement, and vendor consolidation.

EDUCATION

B.S. in Industrial Engineering, State University, 2017.
Project Management Professional (PMP), 2020.

EXPERIENCE

Senior Program Manager, Mid-Size SaaS Company *2022 to present*

- Led a cross-functional product launch across four engineering teams, two design teams, and one vendor, delivered on time.
- Reduced quarterly program cycle time by 18 percent through staged release and explicit dependency mapping.
- Coordinated a weekly VP-level steering committee for the company's largest program.
- Mentored three junior program managers and standardized a lightweight risk-register template now used org-wide.

Program Manager, Growth-Stage Tech Company *2018 to 2022*

- Drove a vendor consolidation that saved roughly \$400K per year.
- Ran the annual program portfolio review for twelve initiatives, including budget and dependency review with leadership.

SKILLS

Program management · Stakeholder management · OKRs · Risk management · Vendor management · Jira / Confluence · Executive communication · PMP
