SUMMARY

Cabinet-level executive with fifteen years of senior leadership in mission-driven organizations. Track record of large-scale change through influence, including enterprise AI governance and multi-stakeholder partnerships.

EDUCATION

Ph.D. in Strategy and Leadership, State University, 2010.
M.B.A., 2004.

EXPERIENCE

Vice President for Innovation, Regional Mission-Driven Nonprofit *2019 to present*

- Cabinet-level role reporting to the CEO and a regular participant on the Board.
- Launched an enterprise AI working group that delivered an organization-wide AI policy and three pilots in nine months.
- Co-led a \$50M five-year strategic planning process.
- Built external partnerships generating \$20M in new investment.

Associate Vice President for Strategy, Mid-Size Healthcare Nonprofit *2014 to 2019*

- Led a multi-year operational transformation that improved on-mission service delivery while holding costs flat.
- Member of the executive team and the AI / data governance committee.

PROJECTS

- Board service: two community-foundation boards.
- Selected publications and talks on AI governance in mission-driven institutions.

SKILLS

Enterprise strategy · Change leadership · AI and emerging-technology governance · Board engagement · Partnership development · Fiscal stewardship · Executive communication
